

MEMO TO SWIMMING POOL CONTRACTORS

*Notice of Inspection Process
Signature Required*

The following is an ordered list of required inspections for swimming pools being built in the City of Bee Cave:

1. Layout – To be completed prior to any construction or excavation. Silt fencing must be in place in accordance with TCEQ standards, and sanitary facility must be in place.
2. PVC/Plumbing/Electrical/Bonding/Structural Steel
3. Fencing/Security inspection in accordance with current adopted International Residential Code before any water in pool (**Prior to plaster coat**) **Note:** Any doors serving as an entrance to the pool area require alarm meeting specifications outlined in 2015 IRC.
4. Final Inspection – All reinspection fees must be paid prior to final inspection.

I have read, understand, and agree to comply with the above information. I understand that failure to follow the procedure outlined above may result in failed inspections and/or applicable fines outlined in the City of Bee Cave Code of Ordinances.
